

2nd Wallingford Beaver Scouts

Last Term's Highlights

Spring and Summer term was a very busy one for our Beaver Scouts. Those Beavers who came on their first Beaver Night Away, had, we hope, a brilliant time climbing, having a campfire and doing archery. The highlight was definitely the climbing wall, we were so proud to see everyone doing their best!

Our other activities were;

- Completing our Promise and Fitness Challenge badges and Safety Activity Badge.
- Celebrating the world cup and scouting around the world.
- Visiting the fire station.
- Helping out for community scout week at Wittenham Clumps.

Autumn Term Sept-Dec

The Autumn term has started and as the weather starts to change we will be using it as a theme for one of the new beaver badges, photography. There will also be the usual games, songs and craft activities.....plus as its going to be Christmas, Sing-along-a-Santa!

What's The Plan?

Between now and the 2nd Dec we shall be doing:

The Photography and Space Activity Badges, plus parts of the creative Challenge Badge.

Making musical instruments.

Having our own Beaver style bonfire night.....oooh and maybe, just maybe a Christmas party.

Photography Activity badge.

Badges cont'

The Beavers have already learnt how to take a photo, they now need to take some themselves for us all to look at. They will also be making a giant collage next week.

The Space Badge will involve an extra evening with us at the hut, with some night time space activities.
